

BENEFIT FOR SONJA FUCHS

GLYNDON LUTHERAN CHURCH
414 PARKE AVE SOUTH GLYNDON, MN

FEBRUARY 19, 2012 AT 4:00 PM

Sonja Fuchs was diagnosed with Mouth cancer in December 2010. She had surgery to remove the tumor in January 2011. The cancer then spread to her lymph nodes in her neck in May 2011 and resulted in another surgery, chemo and radiation.

In November 2011 doctors found the cancer spread to her lung despite treatments so on December 20, 2011 the top 1/3 of her lung was removed. She started her second round of chemo in January 2012.

A benefit and silent auction will be held at the Glyndon Lutheran Church. All proceeds will benefit the Fuchs family to help them pay for substantial out of pocket medical expenses.

The Fuchs Family
Jeff, Sonja, Jack (11) & Annika (2)
